1. D G D G
 Rocks lie low Covered up with mire
 D G D G
 You never know They were once much higher
 D G D G
 Stub your toe Without the picture
 E A
 They're stepping stones

- C. F C G C
 Fly away my friend Find yourself
 F C D G
 Once you've found the light Come back then

2. D G D G
 Branches die Only good for fire
 D G D G
 Evoking a sigh With thoughts of uses higher
 D G D G
 Smoke floating high Dispersing everywhere
 E A
 Until it's gone

- C. F C G C
 Fly away my friend Find yourself
 F C D G
 Once you've found the light Come back then

3. D G D G
 Water falls Led by gravity
 D G D G
 Breaking nature's walls Forming a cavity
 D G D G
 Mixing appalls Sewage from the city
 E A
 Until evaporation

5. D G D G
 On precious rocks I'll build a fire for you
 D G D G
 To guide you back With words of love
 D G D G
 Immersing the sack Emptying from above
 E A
 That which held you down

4. D G D G
 People lost Walking in a circle
 D G D G
 Feeling tossed Like in a salad bowl
 D G D G
 Extensive cost Time and emotional
 E A
 And social too

- C. F C G C
 Fly back my friend You've found yourself
 F C D G
 Follow the light To where you were

- D G D G
 (whistle)
