C C^{+G} C⁷
C. There's a song in my heart
 F G⁷
 Which I long to share with you
 F G⁷
 For long I have cared for you
 F G⁷ C
 And long is the path we have shared

G G⁷ C C⁷
1. Be my friend
G G⁷ C C⁷
 Stick with me 'till the end
F G
 We both need to bend
F G
 So hurts can mend
F G C
 And life can be like back then

G G⁷ C C⁷
2. I strive, to be an example
G G⁷ C C⁷
 That you can sample
F G
 If love is ample
F G
 Life won't trample
F G C
 On choices which were a gamble

G G⁷ C C⁷
3. Together we can work
G G⁷ C C⁷
 Exposing shadows that lurk
F G
 Not being a jerk
F G
 Overcoming our quirks
F G C
 Never our duty to shirk
