C.           D<sup>m</sup>           C  
 This song is about a swan  
 D<sup>m</sup>           C  
 Gracefully flying along  
 D<sup>m</sup>           C  
 Flying through the sky  
 D<sup>m</sup>           C  
 Way up high

1.           G           C  
 Like a slow arrow  
 G                   C  
 Floating through the air  
 G           C  
 When they land  
 G           C  
 There's barely a splash

2.           G           C  
 Floating on the water  
 G           C  
 Looking so beautiful  
 G           C  
 Graceful and stunning  
 G           C  
 They look so nice

3.           G           C  
 They are hard to find sometimes  
 G           C  
 And when you do  
 G           C  
 Be very careful  
 G           C  
 They might peck you
