1. Am C G Am
I tried to make a new friend
Am C G Am
She implied I shouldn't call again
- C. Am G F Am
It doesn't seem fair to me
Am G F Am
Why didn't she even want to meet?
Am G F Am
It's easy to personalize
Am G F E Am
And think less of my life
2. Am C G Am
I saw her picture in the paper
Am C G Am
She looked me squarely in the eye
Am C G Am
I thought and finally called her
Am C G Am
She said she was very flattered
3. Am C G Am
I bought a book that she wrote
Am C G Am
And thought I saw a lonely heart
Am C G Am
I visited her office
Am C G Am
And left a letter for a start
4. Am C G Am
I read another book she wrote
Am C G Am
And felt that she would like me
Am C G Am
I wrote another letter with quotes
Am C G Am
Like a bottle floating out to the sea
5. Am C G Am
Then one day I thought of her
Am C G Am
And wrote another letter
Am C G Am
I called and left a message
Am C G Am
She said "You wouldn't do the same"
6. Am C G Am
So, I just wrote this little song
Am C G Am
I'm wondering if I'll share it someday
