```

```
            D         D-   D D-          D     D-   D D-
Chorus:     Where are you?   ------------>   I need you!
            C         C-      A            C           C-      A
            To help me find the way    ---->   To teach me what to say
            D         D-    D D-
            Where are you _____?
```

```
1.          You fed me        ------------>   You clothed me
            Before I was aware   ------------>   That you were there to care

2.          You sang to me       ------------>   Soft melodies
            Close to your heart I'd keep  -->   As you'd comfort me to sleep

3.          You're lovely        ------------>   But a memory
            I dream about your touch  ----->   I miss you so very much

Chorus:     Where are you?       ------------>   I need you!
            To help me find the way  ------->   To teach me how to pray
(Marti)     Where are you?           ------------>   Ma Mere        :|
(Roice)     Ma Mere                  ------------>   I need you     :|
```
