- C.           D<sup>m</sup>           C  
The willow tree  
D<sup>m</sup>                   C  
Stands in the corner  
D<sup>m</sup>                   C  
Watching the sky  
G                   A<sup>m</sup>  
As it passes by
1.           G                   C  
We re-met just 3 1/2 months ago  
G                   C  
And little did we know  
G                   C  
The Lord had brought us together  
G                   A<sup>m</sup>  
To build a family for forever
2.           G                   C  
We only have each other  
G                           C  
Not anything else with which to bother  
G                   C  
But we'll trust in our Savior  
G                   A<sup>m</sup>  
And give life our best labor
- C2.          D<sup>m</sup>           C  
The willow tree  
D<sup>m</sup>                   C  
Has long been cut down  
D<sup>m</sup>                   C  
It is sad to see  
G                           A<sup>m</sup>  
Everyone's hurts and frowns
