1. D^m C
Two streams pass us by
 D^m C
Reflecting the light of the sky
 D^m C
As you and I
 D^m C
Watch with wonder and with a sigh
- C1. F C
I'm glad you're mine
 F C
I don't need a sign
 F C
To show me you are mine
 F G C
And will be forever and a time
2. D^m C
As we watch the clouds above
 D^m C
My heart is filled with love
 D^m C
I feel just like the dove
 D^m C
Flying off to woo his true love
3. D^m C
A year has passed us by
 D^m C
With times both low and high
 D^m C
We've found ourselves combined
 D^m C
Like the streams we're walking by
