1. G C G G⁺C
Every twenty-one years or so
G C A^m D
I need to write you a song that shows
G C G G⁺C
I love you more than myself
G C A^m D
And want to always be your elf
- C D G C
C. Like the jet that flies above the clouds
C D G
You can my castles soon un-shroud
C D G C
Remember in my mind they're built for you
C D G
And you can share the dreams too
2. G C G G⁺C
Our marriage continues to grow
G C A^m D
With times both high and low
G C G G⁺C
We can make it eternal I know
G C A^m D
We're about half-way to the goal
3. G C G G⁺C
As our kids leave the nest
G C A^m D
You find that I can be a pest
G C G G⁺C
I don't intend to make a mess
G C A^m D
I want to do nothing but bless
