```
        E       D       A    B
1.      Woke up to a dream the other day
        E   D       A    B
        I didn't know quite what to say
        E       D       A    B
        You are so sweet and so beautiful
    E           D           A           B
    And you'd hold me close and say "don't make me go"

        G           G#
C1.     I don't want to make you leave me
            A           C
        But I've always said I'm free
        G           G#
        I wasn't going to let one girl
            A               C
        Keep me from exploring the world

        E       D       A       B
2.      There were lots of things I wanted to do
        E       D       A B
        Before meeting someone like you
        E       D       A    B
        I wanted to test the strength of my wings
        E       D       A       B
        Write a few songs and have some good flings
```

```
        G           G#
C1.     I don't want to make you leave me
            A           C
        But I've always said I'm free
        G           G#
        I wasn't going to let one girl
            A               C
        Keep me from exploring the world

        E       D       A    B
3.      Woke up to a dream the other day
        E   D       A    B
        I didn't know quite what to say
        E       D       A       B
        You are so sweet and so beautiful
    E           D           A           B
    And you'd hold me close and say "don't make me go"

        G           G#
C2.     I'm not going to make you leave me
            A           C
        Together we'll both be free
        G           G#
        I'll take you, you wonderful girl
            A               C   G   D
        And together we will explore the world
```
