| C. | To sing a song. I'll write a wrong. You'll play along. We'll sing a song. | To write a poem. I'll share a coin. You'll almost join. We'll write a poem. | To find the words. I'll feed the birds. You'll drive the herds. We'll find the words. | To talk with God. I'll hold the iron rod. You'll always nod. We'll talk to God. |

Introducing and discussing the deal

The chemistry we felt we wanted to seal
