 1. Rob moved to Huntsville  
 It was not what I feared  
 He went to climb a hill  
 Showing my thinking is weird

 C. Huntsville's known for three things  
 It's where serious jailbirds sing  
 There's a big statue of Sam Houston  
 And it's the home of Sam Houston State University

 2. Rob is a very good writer  
 Maybe someday his text  
 Will explain why whiter  
 Folks still control Texas

 3. Rob seems glad to be a Bear Cat  
 Even though his siblings are Long Horns
