History is often rewritten, Welcome to yesterday  
C<sup>m</sup> B<sup>m</sup> C<sup>m</sup>      G      C<sup>m</sup>      B<sup>m</sup> C<sup>m</sup>  
Life is full of surprises, Welcome to today  
D<sup>m</sup> C<sup>#m</sup>      D<sup>m</sup>      A      D<sup>m</sup>      C<sup>#m</sup>      D<sup>m</sup>      D<sup>m</sup>      C<sup>#m</sup> A      D<sup>m</sup>  
We can create our future, Welcome to tomorrow (last) Welcome to tomorrow
1.      G      A      D      G      A      D  
I've heard it said, "Roice, we have no choice"  
G      A      D      G      A      D  
And I choose to believe, we each our life's fabric weave  
G      A      D      G      A      D  
Facing life's challenges, we can find the hinges  
G      A      D      G      A      D  
Which lift us up, and show us where to sup
2.      G      A      D      G      A      D  
Go back in history, recall each story  
G      A      D      G      A      D  
Communism, for instance, workers lives would enhance  
G      A      D      G      A      D  
Look at the fruits, dictator's boots  
G      A      D      G      A      D  
Millions killed, in Russia, China, and Cambodia
3.      G      A D      G      A      D  
Politics unhinged, women's lives singed  
G      A      D      G      A      D  
We almost had, someone in the Whitehouse truly bad  
G      A      D      G      A      D  
Look beyond the roots, look to the fruits  
G      A      D      G      A      D  
Good justices in the courts, growth to build family forts
4.      G      A      D      G      A      D  
Life is a test, it brings out our best  
G      A      D      G      A      D  
We can not know, everything to grow  
G      A      D      G      A      D  
From the seeds we sow, where time's arrow will go  
G      A      D      G      A      D  
So, we tend our garden, believing the Lord will pardon
