HRN

2nd Fret

1. C G F C
We drove to the Warner Cabin
C G F C
Sunday evening with Melanie and Jared's family
F G C F
After three plane schedule changes
F G C
And driving from Las Vegas
- C. E G C G
Evergreen trees
E G C G
Branches blowing in the breeze
F Ab Bb F
Weather to please
F Ab Bb F
All for Science Camper's ease
2. C G F C
Visited Aunt Sara and Cousin Brian
C G F C
Stopped at Cedar Breaks seeing Cedar on the horizon
F G C F
Paul and Kate's family
F G C
Were at the Warner Cabin
3. C G F C
Roast beef, corn, potatoes, and gravy
C G F C
Enough to feed a good sized army
F G C F
Sophia with Grandma wrote about the Milky Way
F G C
After exploring the Warner Cabin
4. C G F C
Up early and loaded in cars
C G F C
Driving to Marysville, Not all that far
F G C F
Climbing the tower, Chloe wanted to be first
F G C
The zip line height changed her mind
5. C G F C
Grandma arrived from Scipio
C G F C
With Sophia, Izzy, Lauren, and Gwendolyn
F G C F
Zipping across the Sevier River

30 Jun 2021 written on my i-Pad

Travis Pick

- F G C
And then back again
6. C G F C
To the Marysville Chapel for lunch
C G F C
And a call from Colby in Chile
F G C F
Confirming toilets flush clockwise
F G C
While at the Warner Cabin it's counter clockwise
7. C G F C
Next was the Lazy River float
C G F C
Grandpa learned Lo Lo's an independent woman
F G C F
Chains of inner tubes participating in the float
F G C
Breaking for islands or when eddies help summoned
8. C G F C
Then back to the Warner Cabin and Aunt Sara
C G F C
Whose bag had finally caught up with her and Sage
F G C F
Tacos for dinner and the grandkids played games
F G C
Laughter ringing through the Cabin
9. C G F C
Tuesday at 8:30 we left for Bryce Canyon
C G F C
Stopping in Panguitch to learn about the quilt walk
F G C F
Half hiking from Sunrise Point to Sunset Point
F G C
And half playing with Funcle Paul until lunch
10. C G F C
After Ruby's Inn back to the Warner Cabin
C G F C
Everyone listened to a gravity lecture
F G C F
Followed by hot dogs and the movie Home Alone
F G C
Kids shouting "gravity" when seeing the effect
11. C G F C
Wednesday morning we studied hydrostatic pressure
C G F C

And contouring the land with water in a clear tube
F G C F
Fishing and paddle boards on Panguitch Lake
F G C
Avalyn caught two little trout in a net by the Cabin
