 G C D G  
 To make his record, called of Christ, to declare his word<sup>378</sup>

11-10. Silence: G C D G  
 After these sayings there was silence in the land for many hours

A                    D                    E                    A

The Nephites boasted and repented not of their sins, and the Lord cut them off

G                    C                    D                    G

Persuade all the ends of the earth to repent and prepare to stand before Christ<sup>407</sup>

13-04. Wickedness:

G                    C                    D                    G

Because the armies of the Nephites went up unto the Lamanites they were smitten

F                    B<sup>b</sup>                    C                    F

Judgments of God will overtake the wicked, and by the wicked are wicked punished

A                    D                    E                    A

Impossible to describe horrible scenes of blood and carnage, never was such wickedness

G                    C                    D                    G

Among the house of Israel, as Nephites began to be swept off as the dew before the sun<sup>408</sup>

13-05. House-tops:

G                    C                    D                    G

The Nephites gave Mormon command again of their armies to deliver them

F                    B<sup>b</sup>                    C                    F

He was without hope for the judgments of the Lord should come upon them

A                    D                    E                    A

They repented not, the Lamanites came again, they took flight, those not swift

G                    C                    D                    G

Were destroyed, and all things which are hid must be revealed upon the house-tops<sup>409</sup>

13-06. Cumorah:

G C D G  
Mormon wrote the king of the Lamanites requesting they gather at Cumorah  
F B<sup>b</sup> C F  
They gathered all their people at Cumorah and Mormon began to be old  
A D E A  
He hid up in the hill Cumorah all the records entrusted to him by the Lord  
G C D G  
24 groups of 10,000 men were hewn down and Mormon cried out in anguish<sup>410</sup>

13-07. Remnant:

G C D G  
Mormon speaks to the remnant of his people who are spared  
F B<sup>b</sup> C F  
That God give them my words, that they know of their fathers  
A D E A  
Ye remnant are of the house of Israel come to a knowledge of your fathers  
G C D G  
Ye are a remnant of the seed of Jacob and numbered with the first covenant<sup>411</sup>

13-08. Alone:

G C D G  
Moroni finishes his father's record, for he is alone, his father slain in battle  
F B<sup>b</sup> C F  
All his kinsfolk were slain in battle, and he had not friends nor whither to go  
A D E A  
He hideth up the record, the plates are of no worth, but the record is of great worth  
G C D G  
Moroni speaks unto us as if we were present, for he knows our doing<sup>412</sup>

13-09. Miracles:

G C D G  
If ye imagined a god who doth vary, ye imagined a god who is not a God of miracles  
F B<sup>b</sup> C F  
Jesus did mighty miracles and many mighty miracles were wrought by his apostles  
A D E A  
Why has God ceased to be a God of miracles, and yet be an unchangeable being  
G C D G  
The reason why he ceaseth to do miracles is because men dwindle in unbelief<sup>413</sup>

ETHER

14-01. Brother:           G           C           D           G  
Moroni writes the Book of Ether, but not from Adam until the time of the great tower  
F           B<sup>b</sup>           C           F  
He started with Ether's genealogy, back to Jared, and to the brother of Jared a large man  
A           D           E           A  
The Lord had compassion and did not confound the language of Jared and his brother  
G           C           D           G  
The Lord told him to gather flocks, seeds, families, friends, and go into the valley<sup>414</sup>

14-02. Prepare:       G           C           D           G  
Jared and family and friends went northward  
F           B<sup>b</sup>           C           F  
Catching fowls, did prepare a vessel to carry fish  
A           D           E           A  
Carrying with them deseret and seed of every kind  
G           C           D           G  
Prepared vessels for the people, against the waves<sup>415</sup>

14-03. Finger:       G           C           D           G  
The brother of Jared, at mount Shelem, molten sixteen transparent stones  
F           B<sup>b</sup>           C           F  
And prayed, O Lord, touch these stones with thy finger that they shine  
A           D           E           A  
The Lord stretched forth his hand and touched the stones with his finger  
G           C           D           G  
And the brother of Jared fell down with fear, seeing the finger of Jesus<sup>416</sup>

14-04. Manifest:     G           C           D           G  
The brother of Jared wrote the things which he had seen, and was forbidden to share  
F           B<sup>b</sup>           C           F  
After Christ did show himself unto his people, King Mosiah commanded they be manifest  
A           D           E           A  
When the Gentiles repent the Lord will manifest what the brother of Jared saw  
G           C           D           G  
Then shall John's revelations be unfolded, and time is at hand when they be manifest<sup>417</sup>

 F B<sup>b</sup> C F  
 He warns not to touch the things which he sealed up, for it is forbidden  
 A D E A  
 Unto three shall the plates be shown, wherefore they know truth of surety  
 G C D G  
 And in the mouth of three witnesses shall all these things be established<sup>418</sup>

14-06. Light: G C D G  
 After the Lord had prepared the stones, the brother of Jared put them in the vessels  
 F B<sup>b</sup> C F  
 When they had prepared food, flocks, and herds they boarded their barges or vessels  
 A D E A  
 The wind did blow towards the promised land three hundred and forty and four days  
 G C D G  
 And they did have light continually, landed safely, tilled the land, and chose a king<sup>419</sup>

14-07. Repentance: G C D G  
 The descendants of Orihah, the king and the son of Jared  
 F B<sup>b</sup> C F  
 Intrigue down to his third great grandson Nimrod  
 A D E A  
 Shule, his grandson, became mighty in strength and judgment  
 G C D G  
 Prophets came, whom Shule protected, and brought people to repentance<sup>420</sup>

14-08. Secret Combinations: G C D G  
 The daughter of Jared was exceedingly fair, and danced for Akish  
 F B<sup>b</sup> C F  
 Akish did administer to all his kinfolk secret oaths handed down from Cain  
 A D E A  
 They formed a secret combination, even as of old, which are wicked to God  
 G C D G  
 For the Lord works not in secret combinations, for they destroy civilizations<sup>421</sup>

His son Jared became king and was murdered by his son-in-law who became king

A                      D                      E                      A

War for many years, then Omer was restored to his inheritance, secret plans adopted

G                      C                      D                      G

By his second great-grandson, and people flee snakes to follow course of the beasts<sup>422</sup>

14-10. Gold:

G                      C                      D                      G

Describing at least 14 generations, starting at Heth, both righteous and wicked

F                      B<sup>b</sup>                      C                      F

In the third generation Riplakish built many prisons and caused his fine work

A                      D                      E                      A

Even his fine gold to be refined in prison. In the eighth generation of Lib, the hunter

G                      C                      D                      G

They did work ore, making gold, silver, iron, brass, and all manner of metals<sup>423</sup>

14-11. Destruction:

G                      C                      D                      G

Six generations of leaders and prophets starting in the days of Com

F                      B<sup>b</sup>                      C                      F

And the prophets prophesied of the destruction of that great people

A                      D                      E                      A

Brother of Shiblom caused all prophets of destruction be put to death

G                      C                      D                      G

Prophets cried repentance, saying except they repent, utter destruction<sup>424</sup>

14-12. Faith:

G                      C                      D                      G

Ether did cry faith unto repentance from the morning, even until the going down of the sun

F                      B<sup>b</sup>                      C                      F

Moroni showed faith is things hoped for and not seen, with a witness after a trial of our faith

A                      D                      E                      A

Giving a dozen examples of faith, hope, and charity bringing the fountain of all righteousness

G                      C                      D                      G

Moroni saw Jesus, and he talked with him face to face in his own language because of faith<sup>425</sup>

14-13. Cavity of a Rock: Ether saw the days of Christ and spake concerning a New Jerusalem upon this land  
 G C D G  
 F B<sup>b</sup> C F  
 People esteemed Ether as naught, cast him out, and he hid in the cavity of a rock  
 A D E A  
 He made the remainder of the record in the cavity of a rock, and by night he went forth  
 G C D G  
 He prophesied to Coriantumr, who repented not, he fled and hid in the cavity of a rock<sup>426</sup>

14-14. Curse: There began to be a great curse upon the land because of the iniquity of the people  
 G C D G  
 F B<sup>b</sup> C F  
 If a man should lay his tool or his sword down, on the morrow he could not find it  
 A D E A  
 Then Coriantumr fought Shared, Gilead, Lib, and finally Shiz, the brother of Lib  
 G C D G  
 Who overthrew many cities, and he did slay both woman and children and burn cities<sup>427</sup>

14-15. Anger: The last battles between the people of Shiz and of Coriantumr are recorded in detail  
 G C D G  
 F B<sup>b</sup> C F  
 When the night came they were drunken with anger, and slept again on their swords  
 A D E A  
 Eventually only Shiz and Coriantumr were left and Coriantumr smote off the head of Shiz  
 G C D G  
 Ether saw the Lord's words fulfilled, and only wanted to be saved in the kingdom of God<sup>428</sup>

### MORONI

15-01. Future Day: Moroni ended abridging the account of the people of Jared and had not yet perished  
 G C D G  
 F B<sup>b</sup> C F  
 The Lamanite wars are fierce among themselves and they kill all Nephites  
 A D E A  
 Moroni will not deny the Christ, so he wanders for the safety of his own life  
 G C D G  
 Moroni writes more, hopefully of worth to brethren in some future day<sup>429</sup>

15-02. The Holy Ghost: G C D G  
 The words of Christ to his disciples, the twelve he chose  
 F B<sup>b</sup> C F  
 Calling them by name, saying: “Ye shall call on the Father  
 A D E A  
 In my name, and have power to give the Holy Ghost”  
 G C D G  
 On as many as they laid their hands, fell the Holy Ghost<sup>430</sup>

15-03. Elders: G C D G  
 The manner the disciples, called the elders of the church, ordained priests and teachers  
 F B<sup>b</sup> C F  
 After they prayed unto the Father in the name of Christ, they laid hands upon them  
 A D E A  
 And said: “In the name of Jesus Christ I ordain you to be a priest or to be a teacher  
 G C D G  
 To preach repentance and remission of sins through Jesus Christ by faith to the end”<sup>431</sup>

15-04. Bread: G C D G

 A D E A  
 We ask thee in the name of thy Son, Jesus Christ, to bless and sanctify this bread  
 G C D G  
 To the souls of all those who partake of it, that they may always have his Spirit<sup>432</sup>

15-05. Cup: G C D G

 A D E A  
 To bless and sanctify this wine to the souls of all those who drink of it, that  
 G C D G  
 They may do it in remembrance of the blood of thy Son and have his Spirit”<sup>433</sup>

 Neither any receive baptism save with a broken heart and contrite spirit  
 A D E A

 G C D G  
 With a determination to serve him to the end, meeting together oft<sup>434</sup>

15-07. Hope and Charity: G C D G  
 Mormon's words concerning faith, hope, and charity to those with sufficient hope  
 F B<sup>b</sup> C F  
 By which they can enter into the rest of the Lord, until they rest with him in heaven  
 A D E A  
 Search diligently the light of Christ to know good from evil and lay hold on good  
 G C D G  
 Hope through the atonement and resurrection and cleave unto charity forever<sup>435</sup>

15-08. Little Children: G C D G  
 Mormon's epistle regarding disputations concerning baptism of little children  
 F B<sup>b</sup> C F  
 Labor diligently to remove this gross error for little children are whole  
 A D E A  
 Not capable of committing sin, so it is a mockery to baptize little children  
 G C D G  
 Rather repent and humble themselves as little children and be saved with them<sup>436</sup>

15-09. Chastity: G C D G  
 Mormon's second epistle stating how Satan stirreth up the people continually to anger  
 F B<sup>b</sup> C F  
 To where Lamanites feed women and children the flesh of their husbands and fathers  
 A D E A  
 "Our own people" have taken many of the daughters of the Lamanites prisoners and  
 G C D G  
 Deprived them of that which is most dear and precious, which is chastity and virtue<sup>437</sup>
