BARRITONE

Brightly beams our shining future From our corporate head quarters
As we tell of Landmark products To 3 D inter pre t e r s
C: Let our story now be told in the four corners of the earth
As our systems then are sold They will bring new fi - de - a birth

G C
1. Brightly beams our shining future
D
From our corporate headquarters
G C
As we tell of Landmark Products
G D G
To 3-D Interpreters

G C G
C. Let our story now be told
A D
In the four corners of the earth
G C
As our systems then are sold
G D G
They will bring new idea birth

G C
2. Dark the night, has been the past
D
For seismic interpreters
G C
Limited, to colored pencils
G D G
To define structures

G C
3. Demos show our present status
D
Which improves from day to day
G C
We use a three-dimensional lattice
G D G
To keep track of volume data
