

# Song 445 Trampoline Queen

H. Roice Nelson, Jr., 19-20 August 2024, Cedar City, Utah, 2nd fret, Travis Pick

C.        C     G C        G     C     G     C  
Bouncing, up and down, on the trampoline  
D   A        D A D        A     D  
Laughing and joking, looking at the scene  
C            G C     G C        G C  
Rolling on the trampoline, being a silly bean  
D     A        D        A D     A     D            F     G     C  
Chloe's having fun, she's the trampoline Queen (last) Trampoline Queen

1.        F            G            C            Am  
When she came this year to Science Camp  
F            G            C            Am  
Chloe had no idea there would be a ramp  
F            G            C            Am  
Leading to a new trampoline friend named Karson  
F            G            C  
who turned out to be a long lost cousin

2.        F            G            C            Am  
They were soon playing "follow the leader"  
F            G            C            Am  
Climbing on the big rocks, on which they would teeter  
F            G            C            Am  
Then running back to the trampoline on which they would jump  
F            G            C  
Until someone accidentally hurt themselves with a bump

3.        F            G            C            Am  
Sitting on the trampoline to eat breakfast and lunch  
F            G            C            Am  
Cousins laughing and holding hands as a bunch  
F            G            C            Am  
Building memories and friendships as they munch  
F            G            C  
More than math, it became their favorite punch
